Screenshots

Apple iPad Mini 2 10.2.1

The screenshot shows a mobile browser on an Apple iPad Pro running iOS 10.3.3. The device has no service, battery level is at 100%, and the time is 11:43 AM. The URL in the address bar is google.com. The page displayed is the Google Terms of Service, specifically the 'Terms of Service' section. The page content includes a welcome message, terms of service, and a section on using services. There is also a note about third-party content.

Terms of Service

Updates Last modified: October 25, 2017 ([view archived versions](#))

Welcome to Google!

Thanks for using our products and services ("Services"). The Services are provided by Google LLC ("Google"), located at 1600 Amphitheatre Parkway, Mountain View, CA 94043, United States.

By using our Services, you are agreeing to these terms. Please read them carefully.

Our Services are very diverse, so sometimes additional terms or product requirements (including age requirements) may apply. Additional terms will be available with the relevant Services, and those additional terms become part of your agreement with us if you use those Services.

Using our Services

You must follow any policies made available to you within the Services.

Don't misuse our Services. For example, don't interfere with our Services or try to access them using a method other than the interface and the instructions that we provide. You may use our Services only as permitted by law, including applicable export and re-export control laws and regulations. We may suspend or stop providing our Services to you if you do not comply with our terms or policies or if we are investigating suspected misconduct.

Using our Services does not give you ownership of any intellectual property rights in our Services or the content you access. You may not use content from our Services unless you obtain permission from its owner or are otherwise permitted by law. These terms do not grant you the right to use any branding or logos used in our Services. Don't remove, obscure, or alter any legal notices displayed in or along with our Services.

Our Services display some content that is not Google's. This content is the sole responsibility of the entities that make it available.

Apple iPad Pro 9.7" 10.3.3

The screenshot shows an iPad screen with a white background. At the top, there's a navigation bar with icons for 'Done' (blue), back/forward arrows, a menu icon, a lock icon, the URL 'google.com', a refresh icon, a share icon, and a compass icon. The main content area contains the following text:

One technology that facilitates web storage is HTML 5.

Cookies and similar technologies

A cookie is a small file containing a string of characters that is sent to your computer when you visit a website. When you visit the website again, the cookie allows that site to recognize your browser. Cookies may store user preferences and other information. You can reset your browser to refuse all cookies or to indicate when a cookie is being sent. However, some website features or services may not function properly without cookies. Other technologies are used for similar purposes as a cookie on other platforms where cookies are not available or applicable, such as the Advertising ID available on Android mobile devices. Learn more about [how Google uses cookies](#) and how Google uses data, including cookies, [when you use our partners' sites or apps](#).

Device

A device is a computer that can be used to access Google services. For example, a device could be a desktop, tablet or smartphone.

Google Account

You may access some of our services by signing up for a [Google Account](#) and providing us with some personal information (typically your name, email address and a password). This account information will be used to authenticate you when you access Google services and protect your account from unauthorized access by others. You can edit or terminate your account at any time through your Google Account settings.

HTTP Referrer

An HTTP Referrer is information transmitted to a destination webpage by a web browser, typically when you click a link to that webpage. The HTTP Referrer contains the URL of the last webpage the browser visited.

IP address

Every device connected to the Internet is assigned a number known as an Internet

The screenshot shows an iPad screen with the following details:

- Top Bar:** Shows "iPad" with signal strength, "11:46 AM", "adwords.google.com", and a battery icon at 100%.
- Content:** A "Welcome to Google AdWords!" page. It says "We'll help you sign up and start advertising in just a few steps." and "Experienced with AdWords? [Skip the guided setup.](#)".
- Form Fields:** An email address field containing "email@example.com" and a website URL field containing "www.example.com/books".
- Buttons:** A blue "Continue" button.
- Progress Indicator:** A series of colored dots (blue, red, yellow, green) followed by arrows, indicating the current step in a multi-step process.
- Keyboard:** A standard QWERTY keyboard with additional symbols and navigation keys.
